HOW TO ENTER A HUMAN'S WORLD

A MANUAL FOR THE ALIEN

1)

2) Observe : social rules, how they live,

3) Observe more!!!

what they ~~eat~~, what things they avoid

4. learn on the go and quick to adapt to any situation

5) Be slow in motion, introduce your self gently because otherwise you'll frighten the human

6) You should hide your fear and anger and try to communicate ~~with them~~

7) Try understanding ~~whatever~~ the human shows or teaches so you work together.

Be patient with humans. They're weird sometimes.

8) Try to abstain from them object that could hurt them.
